<p>Academic Honesty Statement:</p>	<p>The College is committed to academic integrity in all its practices. The faculty value intellectual integrity and a high standard of academic conduct. Activities that violate academic integrity undermine the quality and diminish the value of educational achievement. Cheating on papers, tests or other academic works is a violation of College rules. No student shall engage in behavior that, in the judgment of the instructor of the class, may be construed as cheating. This may include, but is not limited to, plagiarism or other forms of academic dishonesty such as the acquisition without permission of tests or other academic materials and/or distribution of these materials and other academic work. This includes students who aid and abet as well as those who attempt such behavior.</p>
<p>Copyright Statement</p>	<p>Students shall adhere to the laws governing the use of copyrighted materials. They must insure that their activities comply with fair use and in no way infringe on the copyright or other proprietary rights of others and that the materials used and developed at Ivy Tech Community College contain nothing unlawful, unethical, or libelous and do not constitute any violation of any right of privacy.</p>
<p>ADA Statement and Accommodations:</p>	<p>Ivy Tech Community College seeks to provide reasonable accommodations for qualified individuals with documented disabilities. If you need an accommodation because of a documented disability, please contact the Office of Disability Support Services. If you will require assistance during an emergency evacuation, notify your instructor immediately. Look for evacuation procedures posted in your classroom.</p> <p>SECTION 504 COMPLIANCE PLAN In accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, the New Castle Community School Corporation provides you, as the parents or guardian, with the following procedural safeguards in relation to your child: 1. You have the right to receive a copy of this notice upon the district's identification, evaluation, refusal to provide an evaluation, educational placement, denial of educational placement and any significant change in said placement of your child. 2. You have the right to an evaluation of your child if the district has reason to believe that your child has a mental or physical impairment that substantially limits learning or some other major life activity... a) before the initial placement. b) before and subsequent significant change in placement. 3. You have the right to an opportunity to examine all relevant records for your child. 4. You have the right to an impartial hearing, with participation by you and representation by counsel, concerning the identification, evaluation or educational placement of your child. 5. You have the right to appeal the final decision of the impartial hearing officer to a court of competent jurisdiction. The following person is designated as Section 504 Compliance Coordinator: Amy Blake, Director of Special Education (765) 521-7223.</p>

	New Castle Career Center seeks to provide reasonable accommodations for qualified individuals with documented disabilities. If you need an accommodation because of a documented disability, please contact the New Castle Career Center's Office. If you will require assistance during an emergency evacuation, notify your instructor immediately. Look for evacuation procedures posted in your classroom.
TITLE IX	Ivy Tech Community College is committed to providing all members of the College community with a learning and work environment free from sexual harassment and assault. Ivy Tech students have options for getting help if they have experienced sexual assault, relationship violence, sexual harassment or stalking. This information can be found at https://www.ivytech.edu/prevent-sexual-violence/index.html . If students write or speak about having survived sexual violence, including rape, sexual assault, dating violence, domestic violence, or stalking, federal law and Ivy Tech policies require that instructors share this information with the Campus Title IX Coordinator. The Campus Title IX Coordinator will contact students to let them know about accommodations and support services at the College and in the community as well as options for holding accountable the person who harmed them. When contacted, students are not required to speak with the Campus Title IX Coordinator. If students do not want the Title IX Coordinator notified, instead of disclosing this information to their instructor, students can speak confidentially with certain individuals at the College or in the community. A list of these individuals can be found at https://www.ivytech.edu/prevent-sexualviolence/index.html under Confidential Employees and/or Community Resources.
Methods of Evaluation:	For course evaluation there will be tests, projects, and a final exam.
Code of Student Rights & Responsibilities	Code of Student Rights and Responsibilities, which can be accessed in Ivy Tech's website at https://www.ivytech.edu/studentcode/
Make-up Policy:	Please approach this class as you would outside employment. If you find that you must miss a class you are expected to have a parent <u>contact the instructor by e-mail, phone or text message</u> to let her know that you will not be in class and to make arrangements for make-up work. All work should be made up within one week of your return to class.
Grades:	The Ivy Tech Grade will be different from the high school grade because the semester grade is the average of the grades earned in each grading period and the final examination. It is the semester grade which is recorded on the student's permanent record. Weighted courses will have 1 point added to the student's GPA.

New Castle Career Center Grading Scale:

- 98-100% = A+**
- 92-97% = A**
- 90-91% = A-**
- 88-89% = B+**
- 82-87% = B**
- 80-81% = B-**
- 78-79% = C+**
- 72-77% = C**
- 70-71% = C-**
- 68-69% = D+**
- 62-67% = D**
- 60-61% = D-**
- 0-59% = F**

Grading is based upon a weighted system. Grades are taken from tests, quizzes, homework, projects, participation, and employment skills (PRIDE: Persistent, Respectful, Initiative, Dependable, Efficient) Employment Skills will count as a minimum of 30% of the total points per grading period per grading period. Typically, tests/quizzes are 50% of the final grade for a grading period, with homework making up the remaining 20%. However, if a project is included within a grading period then the weighted system will be adjusted with the project being at least 10% of the grade for that grading period.

Skills Evaluations are based upon ISDH CNA checklist requirements

Clinical Experience is determined by the clinical supervisor and will play a significant part of the Employment Skills grade. The purpose of the supervisor evaluation is to show how well work related skills are being mastered or improved. The evaluation is based upon the overall impression of the supervisor on the performance of the student while working or learning in the clinical area. A student may be removed from the clinical setting due to a failing effort on the clinical evaluation.

Semester Grade:

1st Semester Grade

3/7 of grade=1st grading period grade

3/7 of grade=2nd grading period grade

1/7 of grade=Portfolio Project

2nd Semester Grade

3/7 of grade=3rd grading period grade

3/7 of grade=4th grading period grade

1/7 of grade=Final Exam (End of Course Assessment)

Each student has the opportunity to earn dual credits.

The dual credits that will be offered for the 2022/2023 school year are as follows:

- 3 credits for HLHS 100 Introduction to Health Careers

	<ul style="list-style-type: none"> ● 3 credits for HLHS 101 Medical Terminology (Requires Accuplacer testing to qualify) ● .5 credits for HLHS 104 BLS Basic Life Support ● 5 credits for HLHS 107 CNA Preparation ● 3 credits for HLHS 111 Health and Wellness for Life ● 3 credits for HLHS 113 Dementia Care ● 3 credits for HLHS 121 Customer Relation in Health CAre <p>Dual Credit Grades are based upon the Ivy Tech Grading Scale which is as follows:</p> <p>93-100% A 85-92% B 79-84% C 75-78% D 74% & below F</p>
Sexual Harassment	Sexual harassment is not acceptable in any situation, and NCHS follows the New Castle Community School Board’s policy and complaint rocedure regarding this matter. Copies are available in the High School Office.
Drop Process and Responsibility	<p>Students in one semester fall classes must be withdrawn by <u>November 17, 2023</u>. Your HS teacher will send a drop form for each student to the campus dual credit contact.</p> <p>For all courses: Federal financial aid is based on a 2.0 GPA and a 67% course completion rate.</p>
Financial Aid	<p>Student Appeal & Grievances</p> <p>Students who are experiencing difficulties/conflict in a class need to speak with their instructor FIRST, unless the particular circumstances of the conflict dictate otherwise. Once that avenue of inquiry has been exhausted, students may take their concerns to the instructor's immediate supervisor, who is listed in the Instructor's information section of the syllabus. All concerns must be submitted in writing and should be made within 7 days of either the instructor's response or from when the incident occurred (if the situation is such that the student cannot discuss the matter with the instructor directly).</p> <p>If a resolution cannot be reached at this level, the student will be directed by the instructor's supervisor to the School's Dean for further appeals. Following this hierarchy is imperative. Students who fail to follow this procedure will be sent back to the appropriate level before their particular issues will be heard at a higher level.</p> <p>Further details on this procedure can be found in the Code of Student Rights and Responsibilities, which can be accessed in Ivy Tech’s website and at https://www.ivytech.edu/studentcode/</p>

Class policies	<p>~ No food in the classroom.</p> <p>~ All beverages in bottles</p> <p>~ All work to be turned in should be typed, in black ink, or standard #2 pencil.</p> <p>~ Corrections on written work should be made with one line through the incorrect information, correct information should be provided and the correction should be dated & initialed. (Example: early cardiac sf 1/10/11.</p>
Attendance Policy	<p>Attendance is expected at all scheduled class meetings and roll will be taken at each class meeting. Three (3) tardy attendances are equal to one (1) class absence. It is your responsibility to be prepared for the next class meeting. If you must leave early for an appointment, please notify the instructor before class begins.</p>
Right of Revision Statement	<p>The instructor and Ivy Tech Community College of Indiana reserve the right to make reasonable changes to this syllabus and/or schedule as necessary. The instructor reserves the right to alter or modify the methods of instructional delivery, methods of evaluation, activities schedule, and/or other items as deemed necessary to complete the objectives of the course. Any changes made to this syllabus that affect the manner in which the student's grade is determined will be provided to the student in writing prior to the effective date.</p>

 Guest Speakers: Success in College

If time permits, we will work in a “Healthy Living” Project in which students will be divided into 3 groups and present to 6th graders of New Castle Elementaries.

The instructor retains the prerogative of changing or adjusting the course syllabus to best accommodate the pace of progression and the needs of the students.
